

Designer Outdoor Kitchens

Our designer outdoor kitchens have various artistic specifications and features. Stylish, functional and streamlined, these outdoor kitchens can be fully customised or simply order a pre-designed kitchen package with appliances. Options to suit a variety of outdoor Alfresco areas, straight or L shaped, free standing (with stone waterfall ends) or in between walls. Designed and manufactured in Australia.

We can custom design and supply an Outdoor Kitchen with your choice of appliances including BBQ, fridge, sink, wok burner, dishwasher, pizza oven and so much more

Features

- All carcass units 16mm V-Lite PVC material with extreme water resistance.
- Doors, drawers and panels 13mm Compact Laminate (10 x colours)
- 20mm engineered stone bench-tops (3 colours Black, White and Grey)
- Doors + Panels are available with or without 6mm horizontal line grooves
- Carcass height including adjustable legs 930mm (BBQ Unit 655mm)
- Total joinery height including 20mm Stone is 950mm (BBQ Unit 675mm).
- Carcass depths without bench-top 560mm (700mm with bench-top) allows for "services" void.
- Cabinetry & Stone: All cabinetry & stone has a 10 YEAR limited warranty
- Appliances 2-3 YEAR limited warranty
- Australian manufactured joinery units – partners Laminex and Bedfor

4 Easy Steps

1. Select the modules that you want to have in your kitchen from the Modules list below.
2. Choose the barbecue and fridge that you want in your kitchen from the Barbecues + Accessories page or, if you prefer, tell us which other brand and appliance you want to try and include in your kitchen.
3. Note the material and colour of your benchtops and door colours.
4. Email or call us with your list, a photo of your area and, available dimensions and we'll be happy to take care of your requirements by confirming the suitability of your configuration
