

Modular Outdoor Kitchens

Our most cost effective modular outdoor kitchens. Ready-made modular outdoor kitchen cabinets that will save you time and money.

Aluminium frames that are waterproof, weatherproof and UV resistant to withstand our harsh Australian climate.

We provide an outdoor kitchen package with 20mm natural granite stone bench tops in dark grey or light patterned options.

These kitchens are suited to the Beefeater Signature 4 or 5 Burner in-built BBQs and the Weber Family Q in-built BBQ.

Features

- Tempered glass doors with slim line handles
- Door colours (black or white)
- Soft close doors and drawers
- Brushed aluminium finish kickboard
- Pre-assembled
- Easy DIY or fully installed
- Finished: 650mm D x 890 H (top of bench)

4 Easy Steps

1. Select the modules that you want to have in your kitchen from the Modules list below.
2. Choose the barbecue and fridge that you want in your kitchen from the Barbecues + Accessories page or, if you prefer, tell us which other brand and appliance you want to try and include in your kitchen.
3. Note the material and colour of your benchtops and door colours.
4. Email or call us with your list, a photo of your area and, available dimensions and we'll be happy to take care of your requirements by confirming the suitability of your configuration

Warranty

What is guaranteed

Warranty against defects and will at its option repair or replace any cabinet, kickboard or a benchtop that suffers a failure in structural integrity (under the domestic use only).

Warranty periods

The Warranty starts on the date of purchase and lasts for 5 years. The above warranties apply only to the original purchaser and apply as long as our product is used for normal domestic use, installed in the house owned by the purchaser and used as a primary residence.

General Exclusions

The above warranties do not cover the following:

- Normal Wear and tear
- Accidental damage
- Improper handling
- Usage other than domestic kitchen
- Component alterations or modifications
- Incorrect assembly or installation

Warranty

How to make a claim

You are entitled to claim if:

- You are the original purchaser and have kept the original Invoice
- Our product was purchased for personal, domestic or household use only
- Our product has been installed in accordance with the product installation

You will be unable to claim if:

- Our product has been assembled or installed incorrectly
- The property where our product has been installed has at any time after the date of purchase been rented to anyone for residential or commercial purposes.

If the Warranty applies, (subject to the terms and conditions) described, we will honor all valid claims by either repairing or replacing the defective product with an identical component where available. If an identical component of the product is not available, we will replace it with a component of similar value.

For all claims under this Warranty, we are not responsible for delivery, installation, removal, reinstallation, or any other cost related to a claim. If you wish to make a claim, contact our office.
